
Tour guide

Posted by Dave - 2008/05/28 10:30

I am a worker at a financial company in Vancouver. We are going to have some guests to visit Vancouver and we will need a Japanese tour guide to take our guests around. Do you do that?

Yes, we certainly do. You can send us some information including the itinerary, date, time, how many guests are going to be there, etc. through email or fax so we can place a quote.
